Cloud Services | Resource Guidelines

Tier information provided here will be enforced semi-automatically by the system. All limits here will be policed under the End User License Agreement. Any warns, infractions, or account deletions via resource limit violations are lawful. You are required to abide by these limits while using our service. Information provided here is the maximum you are allowed to use. Enforcement of these limits will begin when you reach the limit and/or go above.

Tier	CPU	Memory	Storage
T1	N/A	250MB	5GB
T2	N/A	350MB	8GB
T3	N/A	500MB	10GB
